## Vouchers

*what better gift to give your nearest and dearest than one where they can enjoy great food & drink?*

*We all know people who seem impossible to buy for, so we've got a 'foolproof' way of celebrating & spoiling that special someone for any occasion.*

*You can buy vouchers online! These can either be emailed to yourself or direct to the recipient.*

*We can also make up vouchers for you, but this can take a little longer as they are made to order!*

## Did you know...

*100% of cash gratuities are shared equally between all our staff. From the front of house team to the chefs and kitchen porters. No one could do their job to make your night happen without the other! Card gratuities however, are taxed with wages, so unfortunately staff do not receive 100% of what you kindly give.*

*A suggested tip will be shown on the bottom of your bill.*

*A discretionary 10% gratuity will be added automatically to tables of 6 or more.*

Welcome to our home!  
Since November '19 we have been lucky enough to take over & run our small, family run, free house, nestled in the beautiful Hertfordshire countryside. We are proud to showcase the best seasonal ingredients sourced locally, in an honest, un-fussy, but delicious way. We hope you enjoy your time with us and our wonderful team. Thank you for choosing us to make your memories with.
